Spring is Here!

Administrator's Notes

Every new season is fun and exciting with the children. And we love gardening here at Rockledge Montessori! We have been looking forward to planting our spring garden with the seeds we started in February.

Please be sure to turn in your registration packet for next year, along with the Registration Fee, plus Tuition Deposit for 3-6 class, to reserve a place for your child in August. Until the fees are paid, we cannot hold a place for your child. Registration is now open to the public. Please invite your friends, neighbors, and co-workers to visit us during Open House week, March 21st—25th, 9-11 A.M.

Mrs. Fraleigh and Mrs. Wagner are planning an awesome Summer Camp for the 3-6 students! Camps will fill up quickly, so be sure to return your registration soon.

Thank you for clipping those Box Top Coupons! The classes collected 237 coupons during February! You can track our progress on the chart in the breezeway.
